FRONTIER  
Draft Kit

CONGRATULATIONS TO THE 2025 CONFEDERATION CUP CHAMPION YUKON HUSKIES

The 2026 Frontier Conference Draft will be held on Monday, June 15, 2026.

9:00 PM Eastern, 6:00 PM Pacific

There will be two separate drafts - Dominion and Frontier.

On draft day, a link will be posted at the CCSLC, in the TNFF subforum, to a Chatzy.com chatroom.

Each draft will consist of 6 rounds in reverse order of 2025's final standings, with the previous season's Confederation Cup finalists selecting last in their conference drafts. (24 picks total per draft)

If, for any reason, you can't make the draft, please send an attendee a prioritized list or general draft instructions. Any team unrepresented at the draft will fall to the end of each round and will receive the best player available, according to their team needs, as determined by those present.

This draft kit contains pages detailing the protected players, organized by team, and the draft order, either of which can be used to keep track of selections during the draft.

Also provided are lists of each CFL team's active roster as they appeared on June 11, 2026. These lists may be outdated by the time of the draft, and are provided for **quick reference only**. They are **NOT** official lists of eligible players, and are **NOT** depth charts. Note that kickers and punters may be listed as K/P or P/K- this does not necessarily mean that they will perform both roles for their CFL teams. Kick Return roles are somewhat speculative at this point, but listed are the players who returned kicks last season and so far this CFL preseason and season.

### When drafting, keep in mind these TNFF roster and lineup rules:

A roster may consist of no more than 18 active players.

Of those 18 players, 6 must be designated as 'Nationals' (Canadians) by the CFL.

No team can have more than 2 quarterbacks on their active roster at any time.

If you have 2 quarterbacks and wish to draft another, you can elect to release a quarterback at the time of your selection and draft another quarterback with that pick. The quarterback that was released will then be eligible for selection by any team using a subsequent pick.

A starting lineup consists of:

- 1 Quarterback
- 1 Running Back (Fullbacks are included as Running Backs)
- 2 Wide Receivers (Slotbacks and Tight Ends are also considered Wide Receivers)
- 1 Defensive Lineman (Defensive Ends, Defensive Tackles)
- 1 Linebacker
- 1 Defensive Back (Cornerbacks, Safeties, Defensive Halfbacks)
- 1 Kicker (May be the same starter as Punter)
- 1 Punter (May be the same starter as Kicker)
- 1 Kick Returner (May be the same starter as another position, like DB, WR, or RB)

Of a TNFF team's 10 starting players, 3 must be designated as 'Nationals' by the CFL. (The same 'National' player can count more than once if they are started at multiple positions, like Kicker and Punter)
